Choose from among 80+ workshops and master clinician forums.
This program sold out last year. To be assured a spot in the 2015 program and your first choice of workshops, early registration is strongly advised.

Office Practice of
PRIMARY CARE MEDICINE 2015
March 16-20, 2015    Boston, MA

The comprehensive Harvard Medical School update on office-based primary care medicine
CME for internists, family practitioners, medical specialists, NPs and PAs

New updates, guidelines and best practices for:
• Hypertension, diabetes and lipid management
• Diagnosing and treating cognitive impairment
• Physical examinations and in-office procedures
• Medical marijuana: indications and implications
• Managing chronic pain
• Using novel anticoagulants
• Genetic testing
• Management of menopause symptoms
• Assessing and treating addictions
• Care of cancer survivors
• Managing high-risk patients
• Navigating ICD-10 and meaningful use

Earn up to:
• 39.25 AMA PRA Category 1 Credits™
• 38.75 Prescribed credits by the American Academy of Family Physicians
• 39.25 ECMEC© Credits
• 35.25 Pharmacology Credits
• 11.0 Risk Management Study, including 4 Credits in Opioid Education and Pain Management Training and 2.5 Credits in End-of-Life Care Studies

Register at PrimaryCare.HMSCME.com
Office Practice of Primary Care Medicine is the renowned Harvard Medical School CME course for general internal medicine. It offers new and returning attendees the opportunity to stay current with annual advances across every major area of general medicine. Designed by and for clinicians, the curriculum focuses on state-of-the-art approaches to the clinical challenges we routinely face and the best ways to apply these approaches to your practice. Case-based lectures, Q&A forums, and hands-on workshops in this course offer you the opportunity to exchange ideas and pose your questions to many of Harvard Medical School’s finest teachers and master clinicians.

**Learning Objectives**

Upon completion of this course, participants will be able to:

- Integrate state-of-the-art approaches to general internal medicine problems into their care of patients
- Apply up-to-date screening recommendations
- Deliver state-of-the-art care to their diabetic patients
- Diagnose and treat COPD effectively
- Determine appropriate opioid use for non-malignant disease
- Provide appropriate end-of-life care

**Who Attends**

- Primary care physicians: internists and family practitioners
- Medical specialists
- Nurse practitioners
- Physician assistants
- Registered nurses
- Non-medical specialists who want to update their knowledge of general internal medicine

**2015 Updates and Skills Development**

This year’s lectures and hands-on workshops have been fully updated with a focus on the most pressing clinical updates affecting the practice of primary care medicine for 2015. Highlights are summarized below.

- New hypertension, diabetes and lipid guidelines
- Diagnosing and treating cognitive impairment
- Managing menopause symptoms
- Indications for medical marijuana
- Screening smokers for lung cancer
- Motivating obese patients to lose weight
- Testosterone replacement therapy
- Coordinating care for high-risk patients
- Using the novel anticoagulants
- What’s new in hepatitis C treatment
- When to do genetic testing
- Treating adult ADHD
- Creating a patient-centered medical home
- Assessing and treating addictions
- Evaluation of dyspnea
- Treating tobacco users: new strategies
- Care of the cancer survivor
- Challenging cases of abdominal pain
- Physical examination of the shoulder, hip, knee, foot, ankle, and back
- Interpreting ECGs and chest x-rays
- Office procedures, including joint injections, dermatology and minor surgery procedures
- Cancer screening updates: breast, cervical, colon, lung and prostate
- Achieving appropriate and effective pain management, including opioids for chronic pain
- Conducting discussions about end-of-life care
- Cognitive behavioral therapy and motivational interviewing
- Case-based workshops on common office-based problems
- Complementary and integrative medicine

Customize your learning experience. Choose from among 87 hands-on workshops and master clinician sessions to advance your examination and office procedure skills and improve your medical knowledge.

**Practice management**

- Achieving expertise in ICD-10
- Effecting meaningful use of electronic medical records to increase the efficiency and safety of medical ambulatory practice
- Enhancing your practice management: special sessions on the medical home and care coordination for high-risk patients
David W. Bates, MD, MSc
Chief Quality Officer and Senior Vice President, Brigham and Women's Hospital.
Division Chief of General Internal Medicine, Brigham and Women's Hospital.
Medical Director of Clinical and Quality Analysis, Partners Healthcare. Professor of Medicine at Harvard Medical School, and Professor of Health Policy and Management at the Harvard School of Public Health, where he co-directs the Program in Clinical Effectiveness. Program leader for research in the World Health Organization's Global Alliance for Patient Safety.

Jane S. Sillman, MD
Assistant Professor of Medicine at Harvard Medical School.
Director Emerita of Medical Residency Ambulatory Education at Brigham and Women's Hospital.

Assistant Course Director:
Nancy B. Kurtz, MD

Associate Professor of Medicine at Harvard Medical School.

#### WORKSHOPS

- **ECG Practicum**
  - Melanie Maytin, MD
  - **E1**

- **Difficult Patients**
  - David B. Krieger, MD, Beverly Woo, MD, and Eran Metzger, MD
  - **E2**

- **Medical Problems in Pregnancy**
  - Raymond O. Powrie, MD
  - **E3**

- **Challenging Cases in End-of-Life Care***
  - Kristen G. Schaefer, MD
  - **E4**

- **Mini-course in Motivational Interviewing** (Attendees must sign up for both E5 and F5)
  - Daniel Mullin, PsyD, MPH
  - **E5 F5**

- **Female Urinary Incontinence**
  - May M. Wakamatsu, MD
  - **E6**

- **Sexually Transmitted Diseases and UTIs**
  - Todd B. Ellerin, MD
  - **E7**

- **Common Foot and Ankle Concerns**
  - Jeremy T. Smith, MD
  - **E8**

- **Pre-Op Cardiac and Pulmonary Consultation**
  - Adam Schaffer, MD
  - **F1**

- **Office Ophthalmology**
  - Claudia U. Richter, MD
  - **F2**

- **Hands-On Evaluation of Knee Pain**
  - Kenneth M. Pariser, MD
  - **F3**

- **Care of the LGBT Patient**
  - Kevin L. Ard, MD, MPH
  - **F4**

- **Mini-course in Motivational Interviewing** (Attendees must sign up for both E5 and F5)
  - Daniel Mullin, PsyD, MPH
  - **F5**

- **Controversies in Colon Cancer Screening***
  - Thomas D. Sequist, MD, MPH
  - **F6**

- **Dizziness and Vertigo: Practical Pointers**
  - Jonathan Edlow, MD
  - **F7**

- **Cases in Pain Management**
  - Nancy B. Kurtz, MD
  - **F8**

- **Evaluation of Hip Pain**
  - Susan Sadoshugi, MD
  - **H1**

- **Hot Topics in Health Policy**
  - Eric Schneider, MD, FACP
  - **H2**

- **Bariatric Surgery**
  - Malcolm K. Robinson, MD
  - **H3**

- **Chronic Kidney Disease**
  - Emily S. Robinson, MD, MPH
  - **H4**

- **Challenging Geriatric Cases**
  - Mark Simone, MD
  - **H5**

- **Common Allergy Problems**
  - John J. Costa, MD
  - **H6**

- **“Can’t-Miss” Diagnoses**
  - Stuart B. Mushlin, MD
  - **H7**

- **Anxiety and ADHD**
  - Jane L. Erb, MD
  - **H8**

ACCREDITATION
Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 39.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

This activity meets the criteria of Massachusetts Board of Registration in Medicine for 11.0 hours of Risk Management Study. This includes 4 Credits of Opioid Education and Pain Management training and 2.5 Credits of End-of-Life Care Studies. Please check your individual state licensing board requirements before claiming these credits.

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

AMA PRA Category 1 Credits™ claimed by physicians attending live events certified and organized in the United States for AMA PRA Category 1 Credits™ can be claimed through the agreement on mutual recognition of credits between UEMS and AMA, considered as being equal to the European Continuous Medical Education Credits (ECMEC©) granted by the UEMS. One AMA PRA Category 1 Credit™ is equivalent to one (1) hour of European EACCME Credit (ECMEC©), therefore up to 39.25 ECMEC© Credits are available. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

This live activity, Office Practice of Primary Care Medicine, with a beginning date of 03/16/2015, has been reviewed and is acceptable for up to 38.75 Prescribed credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY
Harvard Medical School (HMS) adheres to all ACCME Essential Areas, Standards, and Policies. It is HMS's policy that those who have influenced the content of a CME activity (e.g., planners, faculty, reviewers, and others) disclose all relevant financial relationships with commercial entities so that HMS may identify and resolve any conflicts of interest prior to the activity. These disclosures will be provided in the activity materials along with disclosure of any commercial support received for the activity. Additionally, faculty members have been instructed to disclose any limitations of data and unlabeled or investigational uses of products during their presentations.

All fees in USD.  YOUR TOTAL

*All attendees receive a flash drive with all of the course materials. Check this box only if you wish to additionally purchase (at a fee of $50) a printed version of the course syllabus.

Refunds, less an administrative fee of $75, will be issued for all cancellations received two weeks prior to the start of the course. No refund will be issued should cancellation occur less than two weeks prior. “No shows” are subject to the full course fee and no refunds will be issued once the conference has started.

Please do not make non-refundable travel arrangements until you have received an email confirming your registration.

You can also register by credit card (VISA, MasterCard or American Express) online at PrimaryCare.HMSCME.com

Please print clearly. All fields required. Use the next page to indicate your workshop preferences.

Office Practice of 
PRIMARY CARE MEDICINE 2015

Workshop Sign-Up Form

Full Name ______________________________________________________________

For each workshop below, please indicate your first, second, and third choices by inserting the appropriate workshop number (A1, A2, etc.) in the spaces provided.

Please DO NOT sign up for the same workshop as your first choice more than once. Preference is given by the order in which workshop registrations are received (note – if you do not sign up appropriately or at all, the course coordinator will contact you). To ensure workshop registration on receipt of application, please follow instructions carefully.
See program for specific workshop titles. Since seating is limited, workshops are assigned on a first-come, first-served basis.
