Office Practice of
PRIMARY CARE MEDICINE 2016
March 14-18, 2016        Boston, MA

The renowned, comprehensive update for office-based primary care medicine
CME for internists, family physicians, medical specialists, NPs and PAs

This course sold out the previous two years. Early registration is strongly advised.

New updates, guidelines, and best practices for:
• Hypertension, diabetes, and lipid management
• Current management of coronary artery disease
• Physical examinations and in-office procedures
• New medications for obesity treatment
• Using novel anticoagulants
• Can’t miss in-office diagnoses
• Tools to change patient behaviors
• Cancer screening
• Men’s and women’s health
• Managing chronic pain
• Assessing and treating addictions
• Care coordination for high-risk patients

Choose from among 88 workshops and master clinician forums to tailor your learning experience to your practice needs

Earn up to:
• 38.50 AMA PRA Category 1 Credits™
• 38.50 Prescribed credits by the AAFP
• 38.50 ECMEC Credits
• 36.50 Pharmacology Credits
• 14.00 Risk Management Credits, including 4.00 Credits in Opioid Education and Pain Management Training and 2.00 Credits in End-of-Life Care Studies

Register at PrimaryCare.HMSCME.com
Office Practice of Primary Care Medicine is the renowned Harvard Medical School CME course for general internal medicine. It offers new and returning attendees the opportunity to stay current with annual advances across every major area of general medicine. Designed by and for clinicians, the curriculum focuses on state-of-the-art approaches to the clinical challenges you routinely face and the best ways to apply these approaches to your practice.

Learning Objectives

Upon completion of this course, participants will be able to:

- Provide state-of-the-art care to patients with a wide range of general internal medicine problems
- Apply up-to-date screening recommendations for breast, cervical, colon, and prostate cancer
- Deliver state-of-the-art care to diabetic patients
- Determine appropriate opioid use for non-malignant disease
- Provide appropriate end-of-life care
- Follow the Choosing Wisely® recommendations from the ABIM
- Develop or improve exam, procedure, and communication skills in order to improve patient care
- Evaluate patients with coronary heart disease
- Evaluate patients with dizziness and vertigo

Who Should Attend

- Internists
- Family Physicians
- Medical Specialists
- Nurse Practitioners
- Physician Assistants
- Registered Nurses

...and other medical professionals who want to update their knowledge of general internal medicine

2016 Updates and Skills Development

- New hypertension, diabetes, and lipid guidelines
- Women’s health updates, including menopause and osteoporosis
- Men’s health updates, including prostate health and testosterone replacement therapy
- Screening smokers for lung cancer
- New obesity medications
- Diagnosing and treating cognitive impairment
- Coordinating care for high-risk patients
- Using the novel anticoagulants
- What’s new in hepatitis C treatment
- Treating adult ADHD and depression
- Creating a patient-centered medical home
- Assessing and treating addictions
- Evaluation of dyspnea
- Challenging cases of abdominal pain
- Physical examination of the eye, shoulder, hip, knee, elbow, hand, foot, ankle, and back
- Interpreting ECGs and chest x-rays
- Office procedures, including joint injections, dermatology, and minor surgery procedures
- Cancer screening updates: breast, cervical, colon, lung, and prostate
- Achieving appropriate and effective pain management, including opioids for chronic pain
- Conducting discussions about end-of-life care
- Changing patient behaviors: motivational interviewing, cognitive behavioral therapy, nutritional counseling, and the exercise prescription
- Case-based workshops on common office-based problems
- Complementary and integrative medicine, including medical marijuana
- Pre-op cardiac and pulmonary consultation
- Updates in pediatric and adolescent office practice
- Antibiotics in office practice
- Celiac disease: diagnosis and treatment
- Dizziness and vertigo: practical pointers
- Challenging rheumatology cases
- Chronic kidney disease management
- How to stay clinically up to date from your office

Practice management

- Achieving expertise in ICD-10
- Effecting meaningful use of electronic medical records to increase the efficiency and safety of medical ambulatory practice
- Enhancing your practice management: special sessions on the medical home and care coordination for high-risk patients
- Patient information handouts that are relevant to your practice
**Monday, March 14**

- 7:00 – 7:50 am Registration/Continental Breakfast
- 7:50 – 8:00 am **Welcome** Jane S. Sillman, MD

**Update on Hypertension**
John D. Goodson, MD

**Obesity Management: New Medications**
Jane S. Sillman, MD

**Dermatology Update**
Ruth Ann Vliegels, MD, MPH

- 10:30 am – 10:45 am Coffee Break

**Diabetes Update**
David M. Nathan, MD

**Bring Your Own Lunch: Physicians’ Networking Lunch**
Moderator: Jane S. Sillman, MD

**Challenging Nephrology Cases**
J. Kevin Tucker, MD

**Update on COPD**
Bartolome R. Celli, MD

**Paps and Cervical Cancer**
Daniela A. Carusi, MD

**Updates in Pediatric Office Practice**
Niraj Sharma, MD, MPH

- 4:10 pm – 4:30 pm Coffee Break

**Bring Your Own Lunch: Physicians’ Networking Lunch**
Moderator: Jane S. Sillman, MD

**Mini-course in Cognitive Behavioral Therapy**
Gary A. Chinman, MD

**Pre-Op Cardiac and Pulmonary Consultation**
Adam Schaffer, MD

**Update on COPD**
Bartolome R. Celli, MD

**Paps and Cervical Cancer**
Daniela A. Carusi, MD

**Updates in Pediatric Office Practice**
Niraj Sharma, MD, MPH

- 4:10 pm – 4:30 pm Coffee Break

**Bring Your Own Lunch: Physicians’ Networking Lunch**
Moderator: Jane S. Sillman, MD

**Mini-course in Cognitive Behavioral Therapy**
Gary A. Chinman, MD

**Pre-Op Cardiac and Pulmonary Consultation**
Adam Schaffer, MD

**Update on COPD**
Bartolome R. Celli, MD

**Paps and Cervical Cancer**
Daniela A. Carusi, MD

**Updates in Pediatric Office Practice**
Niraj Sharma, MD, MPH

**Challenging Cases in Dermatology**
Kathie P. Huang, MD

**Resistance Hypertension**
Jane S. Sillman, MD

**Diabetes: Non-Insulin Treatment**
Allison B. Goldfine, MD

**Challenging Cases in Dermatology**
Kathie P. Huang, MD

- 8:00 am – 8:50 am
- 8:50 am – 9:40 am
- 9:40 am – 10:30 am
- 10:30 am – 10:45 am Coffee Break

**10:45 am – 11:35 am**

**Common Thyroid Problems**
Trevor E. Angell, MD

**Diagnosis and Treatment of Cognitive Impairment**
Andrew E. Budson, MD

**Obesity Management: New Medications**
Jane S. Sillman, MD

**Update on Treating Headaches**
Charles A. Morris, MD, MPH

**Update on Hypertension**
John D. Goodson, MD

**Diagnosis and Treatment of Cognitive Impairment**
Andrew E. Budson, MD

**Dermatology Update**
Ruth Ann Vliegels, MD, MPH

**Can’t Miss Diagnoses**
Charles A. Morris, MD, MPH

**Update on Hypertension**
John D. Goodson, MD

**Obesity Management: New Medications**
Jane S. Sillman, MD

**Dermatology Update**
Ruth Ann Vliegels, MD, MPH

**Can’t Miss Diagnoses**
Charles A. Morris, MD, MPH

- 11:35 am – 12:25 pm Lunch Break

**2:40 pm – 4:10 pm**

**Worksheets**

**Adolescent Contraception and Gynecology**
Amy D. DiVasta, MD

**Valvular Heart Disease: Challenging Cases**
Leonard S. Lilly, MD

**ECG Practicum (Beginners)**
Fidencio Saldana, MD

**GERD and Peptic Ulcer Disease**
Kunal Jaqoo, MD

**Peripheral Neuropathy**
Thomas I. Cochrane, MD, MBA

**Diseases of the Colon: IBS and IBD**
Joshua R. Korzenik, MD

**Sleep Disorders**
Lawrence J. Epstein, MD

**HIV for the Primary Care Physician**
Eileen P. Scully, MD, PhD

**Update on COPD**
Bartolome R. Celli, MD

**Paps and Cervical Cancer**
Daniela A. Carusi, MD

**Updates in Pediatric Office Practice**
Niraj Sharma, MD, MPH

- 4:10 pm – 4:30 pm Coffee Break

**4:30 pm – 6:00 pm**

**Worksheets**

**Travel Medicine**
James H. Maguire, MD

**Diabetes: Update on Insulin Treatment**
Allison B. Goldfine, MD

**Peripheral, Aortic and Carotid Disease**
Marc P. Bonaca, MD, MPH

**Challenging Cases of Abdominal Pain**
Stephen C. Wright, MD

**Female Sexual Dysfunction**
Jan L. Shifren, MD

**Stroke**
Galen V. Henderson, MD

**BPH Evaluation and Treatment**
Graeme S. Steele, MD

- 4:10 pm – 4:30 pm Coffee Break

**6:00 pm – 8:00 pm Reception**

* Meets criteria for Risk Management credit in Massachusetts
** Meets criteria for Pain Management credit and Risk Management credit in Massachusetts
*** Meets criteria for End-of-Life Care credit and Risk Management credit in Massachusetts

A1 – I8: You can use these codes when registering online for your choice of workshops

Program changes/substitutions may be made without notice.

To view the most up-to-date version of the course program, please visit the course website.
ACCREDITATION
Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 38.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

RISK MANAGEMENT
This activity meets the criteria of Massachusetts Board of Registration in Medicine for 14.00 hours of Risk Management Study. This includes 4.00 Credits of Opioid Education and Pain Management Training and 2.00 Credits of End-of-Life Care Studies. Please check your individual state licensing board requirements before claiming these credits.

AMERICAN ACADEMY OF FAMILY PHYSICIANS
This Live activity, Office Practice of Primary Care Medicine 2016, with a beginning date of 03/14/2016, has been reviewed and is acceptable for up to 38.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

INTERNATIONAL ACCREDITATIONS
The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert AMA PRA Category 1 Credit™ to an equivalent number of European CME Credits® (ECMECs®). Information on the process of converting AMA PRA Category 1 Credits™ to ECMECs® can be found at: www.eaccme.eu.

ACGME Competencies
This course is designed to meet the following Accreditation Council of Graduate Medical Education competencies: patient care, medical knowledge, and interpersonal and communication skills.

DISCLOSURE POLICY
Harvard Medical School (HMS) adheres to all ACCME Essential Areas, Standards, and Policies. It is HMS’s policy that those who have influenced the content of a CME activity (e.g., planners, faculty, reviewers, and others) disclose all relevant financial relationships with commercial entities so that HMS may identify and resolve any conflicts of interest prior to the activity. These disclosures will be provided in the activity materials along with disclosure of any commercial support received for the activity. Additionally, faculty members have been instructed to disclose any limitations of data and unlabeled or investigational uses of products during their presentations.

Course Reception
Tuesday, March 15, 2016 • 6:00 – 8:00 pm
Be our guest at a reception on the evening of Tuesday, March 15, and meet your course faculty and colleagues.

*All attendees receive a flash drive that includes all of the course materials: a full-color syllabus, additional readings, and information for patients. If you also desire a printed copy of these materials, you can purchase them for a fee of $65.

Fees shown in USD.

In addition to all sessions and your chosen workshops, your tuition includes:

- A course reception on the evening of Tuesday, March 15
- Morning yoga
- All breakfasts, coffee, and snacks
- Complimentary internet in the meeting and sleeping rooms
- A flash drive containing all of the course materials

REGISTRATION, PAYMENT, CONFIRMATION, and REFUND POLICY

Registrations for Harvard Medical School CME programs are made via our secure online registration system. To register for this course, please visit the course website.

At the end of the registration process you will have the choice of paying by check or credit card (Visa, MasterCard, or American Express). If you are paying by check, the online registration system will provide you with instructions and a printable form for remitting your course fees by check. Postal, telephone, fax, and cash-payment registrations are not accepted.

Up on receipt of your paid registration, an email confirmation from the HMS DCE office will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate.

Refunds, less an administrative fee of $75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by postal mail, email, or fax. No refund will be issued should cancellation occur less than two weeks prior. “No shows” are subject to the full course fee and no refunds will be issued once the conference has started.

VENUE

Hyatt Regency Boston, One Avenue De Lafayette, Boston, MA 02111
Toll free within the U.S. at 888-421-1442 or outside the U.S. at 001 +402-592-6464

ACCOMMODATIONS

A limited number of rooms have been reserved at the Hyatt Regency Boston until February 26, 2016. When calling the hotel, be sure to specify that you are enrolled in this activity to receive a reduced room rate of $259 per person single/double occupancy. Hotel arrangements can also be made online by visiting our course website by February 26 and using the course-specific reservation link on the Venue page.

Please do not make non-refundable travel plans until you have received an email from our office confirming your paid registration.
