

**HARVARD**  
MEDICAL SCHOOL

This course sold out the previous six years. To be assured a spot in the program and your first choice of workshops, early registration is strongly advised.

*Office Practice of*  
**PRIMARY CARE  
MEDICINE 2020**

**March 9-13, 2020**

**Boston, MA**

The renowned, comprehensive update for  
**office-based primary care medicine**

*CME for internists, family physicians, medical specialists, NPs and PAs*

New updates, guidelines, and best practices for:

- Hypertension, diabetes and lipid management
- Coronary artery disease and congestive heart failure
- Treating obesity
- Cancer screening
- Opioids and chronic pain management
- Physical examinations and in-office procedures
- Using novel anticoagulants
- Chronic kidney disease
- COPD and solitary pulmonary nodules
- Changing patient behaviors
- Office-based psychiatry
- Treating addiction: smoking, alcohol, opioids
- Diagnosing and managing cognitive impairment

Choose from among 87 workshops and master clinician forums to tailor your learning experience to your practice needs

Updates • New Guidelines • Skills Development • Best Practices

## Guest Faculty

Marc P. Bonaca, MD, MPH, Assistant Professor of Medicine, University of Colorado

Andrew E. Budson, MD, Professor of Neurology, Boston University School of Medicine

Thomas J. Gill IV, MD, Professor of Orthopedic Surgery, Tufts University School of Medicine

Robert C. Lowe, MD, Associate Professor of Medicine, Boston University School of Medicine

Tara A. Mardigan, MS, MPH, RD/LDN, Founder, ThePlateCoach.com, virtual nutrition counseling and coaching; Co-author, "Real Fit Kitchen"

Raymond O. Powrie, MD, Professor of Medicine, Obstetrics and Gynecology, Warren Alpert School of Medicine, Brown University

Richard Saitz, MD, MPH, FACP, DFASAM, Professor of Medicine, Boston University School of Medicine

Susana C. Wishnia, MD, Assistant Clinical Professor of Surgery, Tufts University School of Medicine; Surgeon, Newton-Wellesley Hospital

Office Practice of Primary Care Medicine provides comprehensive reviews of the most important recent advances impacting primary care medicine and guidance to assimilate these changes into practice for state-of-the-art care. Education is practical and results-focused, designed to help you optimize your approach to the wide array of conditions seen in primary care practice.

Lectures, interactive discussions, and skills advancement workshops are taught by nationally and internationally recognized leaders in their respective fields of medicine. Attendees can customize their learning experience to align with their practice needs and have ample time for discussion and posing questions to faculty.

## Learning Objectives

Upon completion of this course, participants will be able to:

- Provide state-of-the-art care to patients with a wide range of general internal medicine problems
- Apply up-to-date screening recommendations for breast, colon, prostate, lung and cervical cancer
- Deliver state-of-the-art care to diabetic patients
- Manage chronic pain effectively, with and without opioids
- Provide appropriate end-of-life care
- Support patients with obesity more effectively
- Use antibiotics appropriately and wisely
- Evaluate and treat patients with coronary artery disease
- Evaluate patients with dizziness and vertigo
- Apply advanced communication, physical exam, and procedural skills in practice

## Who Should Attend

- Internists
  - Family Physicians
  - Geriatricians
  - Nurse Practitioners
  - Physician Assistants
- ... and other medical professionals who want to update their knowledge of primary care medicine

## 2020 Clinical Updates and Skills Development

- Practical pointers for treatment of diabetes
- New guidelines for hypertension and lipid care
- Hands-on evaluation of knee pain
- Updates in congestive heart failure, coronary artery disease and atrial fibrillation
- Interpreting ECGs and chest x-rays
- State-of-the-art office procedures: joint injections, dermatology, minor surgery, casting and splinting
- Physical examination of the eye, shoulder, hip, elbow, hand, foot, ankle, and back
- COPD and solitary pulmonary nodule guidelines
- Evaluating the patient with chest pain
- Sleep disorders: insomnia and sleep apnea
- Evaluating lower back pain
- Prostate health and testosterone replacement therapy
- Menopause management and treatment of osteoporosis
- Using the novel anticoagulants
- Assessing and treating addictions
- Changing patient behaviors: motivational interviewing, cognitive behavioral therapy, lifestyle medicine
- Treating obesity: new medications, lifestyle medicine interventions, surgery
- Challenging cases of abdominal pain
- Diagnosing and treating cognitive impairment
- Hepatitis C and NASH
- Treating depression and anxiety
- Functional assessment of the geriatric patient
- Lyme disease and other tick-borne illnesses
- Optimal pain management: opioids and non-opioids
- Conducting discussions about end-of-life care
- Updates in pediatric and adolescent office practice
- Antibiotics in office practice
- Dizziness and vertigo: practical pointers
- Challenging rheumatology cases
- Care of the LGBTQ patient
- Hospice and palliative care
- Management of chronic kidney disease
- Challenging renal cases
- Treatment of movement disorders
- Practical wound care

**NEW: Critical lessons from the top articles impacting primary care practice**

## Practice Management

- How to stay clinically up to date
- Meaningful use of EMRs
- Patient-clinician communications
- Information handouts for your patients

This program is among the highest-rated Harvard Medical School CME courses

## New data, guidelines, and best practices across every major area of general internal medicine

► New data, innovations, and state-of-the-art practices for:

- Physical exams
- Counseling
- Screening
- Office procedures
- Diagnoses
- Treatment strategies
- Practice management
- Motivational interviewing

► Earn up to:

- 38.50 *AMA PRA Category 1 Credits*<sup>™</sup>
- 38.50 ABIM MOC points
- 38.50 AAFP Prescribed credits
- 38.50 ECME Credits<sup>®</sup>
- 12.75 Risk Management Credits, including 3.00 Credits in Opioid Education and Pain Management Training and 2.25 Credits in End-of-Life Care Studies

### This program is distinguished for its

- Comprehensive coverage of clinical updates
- Practical and immediately applicable approach to content
- Extensive offering of skills-advancement and hands-on workshops
- Caliber of faculty — as leaders and as outstanding teachers

## ACCREDITATION

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 38.50 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

### MOC STATEMENT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 38.50 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

### AMERICAN ACADEMY OF FAMILY PHYSICIANS

This Live activity, Office Practice of Primary Care Medicine, with a beginning date of 03/09/2020, has been reviewed and is acceptable for up to 38.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### RISK MANAGEMENT

This activity meets the criteria of the Massachusetts Board of Registration in Medicine for 12.75 hours of Risk Management Study. This includes 3.00 Credits of Opioid Education and Pain Management Training and 2.25 Credits of End-of-Life Care Studies. Please check your individual state licensing board requirements before claiming these credits.

### NURSE PRACTITIONERS and REGISTERED NURSES

For the purpose of recertification, the American Academy of Nurse Practitioners Certification Board and American Nurses Credentialing Center accept *AMA PRA Category 1 Credit*<sup>™</sup> issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education). We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*<sup>™</sup> for re-licensure.

### PHYSICIAN ASSISTANTS

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits*<sup>™</sup> are acceptable for continuing medical education requirements for recertification. We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*<sup>™</sup> for re-licensure.

### CANADIAN ACCREDITATION

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

### EUROPEAN ACCREDITATION

Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert *AMA PRA Category 1 Credit*<sup>™</sup> to an equivalent number of European CME Credits<sup>®</sup> (ECMECs<sup>®</sup>). Information on the process of converting *AMA PRA Category 1 Credits*<sup>™</sup> to ECMECs<sup>®</sup> can be found at: [www.eacme.eu](http://www.eacme.eu).

## Meet Our Master Clinicians:

Tuesday, March 10, 2020

1:40 – 2:30pm

Customize your learning experience. Choose from among eight master clinician-run interactive forums:

<b>Chronic Cough</b> Scott Schissel, MD, PhD	T1
<b>Depression and Bipolar Illness: Challenging Cases</b> Russell G. Vasile, MD	T2
<b>Concussions and Head Trauma<sup>1</sup></b> William J. Mullally, MD	T3
<b>Prescribing Lifestyle Medicine</b> Edward M. Phillips, MD	T4
<b>Update on Prostate Cancer Screening<sup>1</sup></b> Marc B. Garnick, MD	T5
<b>Smoking Cessation</b> Sara Kalkhoran, MD, MAS	T6
<b>Getting the Most Out of Your EHR</b> David W. Bates, MD, MSc	T7
<b>Updates in Hospice and Palliative Care<sup>3</sup></b> Kristen G. Schaefer, MD	T8

## Meet Our Master Clinicians:

Thursday, March 12, 2020

1:40 – 2:30pm

Customize your learning experience. Choose from among eight master clinician-run interactive forums:

<b>Solitary Pulmonary Nodules and Screening for Lung Cancer<sup>1</sup></b> Gerald L. Weinhouse, MD, MPH	TH1
<b>Current Management of Coronary Artery Disease</b> James M. Kirshenbaum, MD, FACC	TH2
<b>How Clinicians Think: What My Mistakes Taught Me</b> Martin A. Samuels, MD, DSc (hon)	TH3
<b>Managing Cirrhosis</b> Robert C. Lowe, MD	TH4
<b>Tools for Efficient and Effective Patient-Clinician Communication</b> Amy Ship, MD	TH5
<b>Evaluation and Treatment of Movement Disorders</b> Albert Hung, MD, PhD	TH6
<b>Kidney Stones</b> George E. Haleblan, MD	TH7
<b>Menopause Management</b> Robert L. Barbieri, MD	TH8

## DISCLAIMER

CME activities accredited by Harvard Medical School are offered solely for educational purposes and do not constitute any form of certification of competency. Practitioners should always consult additional sources of information and exercise their best professional judgment before making clinical decisions of any kind.

## Office Practice of Primary Care Medicine 2020

(Course #732490-2002)

	Tuition	Register on or before January 31, 2020
Physicians	\$1,795	<b>\$1,695 (SAVE \$100)</b>
Allied Health Professionals and Residents/Fellows	\$1,695	<b>\$1,595 (SAVE \$100)</b>
Optional Printed Course Materials*	\$85	\$85

Your tuition includes morning yoga, all breakfasts, coffee and snack breaks, complimentary internet in the meeting and sleeping rooms, and a course reception on Tuesday, March 10.

\* All attendees receive a flash drive that includes all of the course materials: a full-color syllabus, additional readings, and information for patients. If you would like a printed copy of the syllabus, you can purchase it in advance for \$85 with your course registration. A very limited supply will be available for purchase on site at the course for \$100.

## REGISTRATION, PAYMENT, CONFIRMATION, and REFUND POLICY

Registrations for Harvard Medical School CME programs are made via our secure online registration system. To register for this course, please visit the course website at [PrimaryCare.HMSCME.com](http://PrimaryCare.HMSCME.com).

At the end of the registration process, a \$10 non-refundable processing fee will be added to your registration, and you will have the choice of paying by check, credit card (Visa, MasterCard, or American Express), or wire transfer in USD. If you are paying by check (draft on a United States bank) or by wire transfer, the online registration system will provide you with instructions for remitting your course fees. Postal, telephone, fax, and cash-payment registrations are not accepted. Fees shown in USD.

Upon receipt of your paid registration, an email confirmation will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate. **Please do not make non-refundable travel plans until you have received an email from our office confirming your paid registration.** Refunds, less an administrative fee of \$75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by email. No refund will be issued should cancellation occur less than two weeks prior. "No shows" are subject to the full course fee and no refunds will be issued once the course has started.

**INQUIRIES:** Call 617-384-8600 Mon-Fri 9am – 5pm (ET) or e-mail [CEPrograms@hms.harvard.edu](mailto:CEPrograms@hms.harvard.edu)

## VENUE

Hyatt Regency Boston  
One Avenue de Lafayette  
Boston, MA 02111  
617-912-1234

## ACCOMMODATIONS

Hyatt Regency Boston has reserved a block of discounted rooms for course participants.

Three things to note about the discounted rooms:

- The number of discounted rooms is limited.
- Discounted rooms are available on a first-come, first-served basis.
- The discounted room rate is only available until February 16, 2020, or until the block sells out, which typically happens well in advance of this date.

**Rooms  
can be  
reserved  
online or by  
phone**

- **ONLINE:** To reserve your room online, please visit the Venue page of the course website ([PrimaryCare.HMSCME.com/Venue](http://PrimaryCare.HMSCME.com/Venue)) and click on the dedicated reservation link.
- **BY PHONE:** If you are calling the hotel rather than using the dedicated link to request a discounted room, please call 1-888-421-1442 and specify that you are enrolled in Office Practice of Primary Care Medicine.
